

IT'S ALWAYS BAD.

The Best of Backs are Bad When They Ache, and Newport News People Know It.

A bad back is always bad. Bad at night when bedtime comes. Just as bad in the morning. Ever try Doan's Kidney Pills for it? Know they cure backache—cure every kidney ill? If you don't, some Newport News people do. Read a case of it:

Mrs. M. E. Scott, wife of M. E. Scott, employed in the shipyard, residing at 2519 Lafayette avenue, says: "When I went to Allen's Drug Store for Doan's Kidney Pills a dull aching in the small of my back and through the loins was very pronounced. It was only an attack similar to predecessors which had annoyed me for some months. When they were in the acute stage if I contracted even a slight cold it was sure to settle in the small of my back and an aggravation of the complaint followed. Morning after morning I have been so lame and sore that I was poorly prepared to commence the coming day's duties. I thought if Doan's Kidney Pills could be depended upon they might tide me over the last attack and I was not disappointed. Mr. Scott is just as positive about the benefits received from the treatment as I."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

The Constant Wearing of a Hat Propagates Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalp of these same men once become infested with dandruff germs, the parasites would multiply all the quicker for lack of air. Baldness would ensue as the final result. Newbro's Herpicide kills these germs and stimulates unhealthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure and contains not an atom of injurious substance. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

ALONG THE WATERFRONT

First Steamer on New Antwerp Line Arrives in Port.

WAITING FOR BERTH AT PIERS

Rush is So Great That Vessel Will Have to Lay at Anchor in the Harbor Until Tuesday Before She Can Be Docked—Marine Notes.

The British steamship Reynolds, the first of the steamers on the new Antwerp line established by the United States Shipping Company, arrived in port from Norfolk yesterday to load her first cargo for Antwerp.

So great is the rush of business along the waterfront now that the Reynolds will have to remain at anchor on the Casino grounds until Tuesday before she can get a berth at one of the Chesapeake & Ohio piers. Every berth is occupied now and there will not be a vacant one until Tuesday morning.

Another steamer for the Antwerp line is now bound to this port and is scheduled to sail from here with cargo for Antwerp about the middle of January. It is estimated that the new line will increase the export trade of the port by about 100,000 tons.

There are now six regular freight lines between Newport News and foreign ports.
